### **Impact!**

We were motivated and encouraged by your positive enthusiasm and your important focus on personal accountability for each of us. We found your program to be very informative and insightful and we would be pleased to have you return again to speak to our healthcare workers and patients. I would highly recommend your books and your seminar to any group that may need some encouragement. "

**Mayo Clinic, Scottsdale, AZ Carolyn Williams, RN, BSN, WOCN, FNP**

"The Success Habits™ principles and the programs Colleen uses to teach them are helping patients ensure their long-term success following weight-loss surgery. She has educated and motivated both my patients and my support group leaders."

**Mathias A.L. Fobi, M.D., F.A.C.S.**

"Colleen's presentation moved our investigators and our patients, both. I thank Colleen for the dedication she has manifested in guiding patients and surgical programs in the area of bariatric surgery."

**Robert T. Marema, M.D., F.A.C.S. U.S. Bariatrics, Ft. Lauderdale, FL**

"Colleen's sharing of her personal insight into the disease of morbid obesity and it's recovery through surgery was inspirational to our group."
